

FREE STANDING COUNTER SHIELD

The counter shield is designed as a simple solution to keep colleagues and customers safe and reassured.

The shield provides a semi-permanent solution for front of house, or retail environment without the need for structural modifications to the work environment.

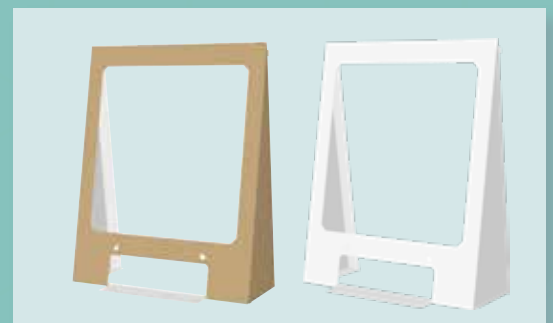

With the potential to create a personalised design the shield can fit seamlessly into any business.

Add a design to personalise to your business. Printing available across the surround and film.

Benefits

- *Freestanding - removed requirement for permanent changes to fixtures*
- *Cost effective*
- *Flexible way of providing protection across a wide variety of areas in store/ front of house*
- *Simple and easy to construct*
- *Adaptable to changing circumstances*
